**pH:** 3.54

**Fermentation:** 3-4 weeks on skins

**Aging:** 16 months in Hungarian Oak

**Residual Sugar:** 0 g

**Alcohol:** 13.0%

### Description

Petit Verdot is a wonderful blending variety from the Bordeaux region of France. It is rarely made as a “stand alone” wine and we are proud to be one of the few producers on Long Island making one.

### Tasting Notes

Leafy aromatics give way to hints of cranberry and pomegranate which stream onto the palate; A hint of vanilla is apparent from the oak aging and ends with a long, lingering finish of the fine, smooth tannins. This varietal will only improve with age and could stand for additional cellar aging, drink now through 2022.
