

2017 Dry Riesling

Made entirely in stainless steel tanks to accentuate the minerality of the wine, this Dry Riesling retains a zingy vibrant acidity and flowery, perfumed aromas. Pale yellow in color, hints of apricot and peach abound from the glass with a nice minerality and flinty mid palate. An excellent sipping wine, the crisp acidity in this Dry Riesling means it pairs wonderfully with seafood, Asian cuisines, barbecue, and spicier dishes.

2018 New York Wine Classic, Silver Medal
